2. **Dr. Susheel Kumar Sharma** is Professor of English & Modern European Languages, University of Allahabad, Prayagraj. A happy go lucky scholar who tries to observe social and literary issues keenly and tries to work out their dynamics; feels happy to spend time with the students who have a desire for learning. Sometimes feels like writing some poetry and at others some criticism; and does not mind whiling away time, money and energy to please others. Still trying to learn how to read; how to lecture; how to teach; how to survive in academics; and above all how to avoid a compelling issue and remain non-committal. Some of his poems have been published in Canada, France, Ireland, Scotland, the UK and the USA. Some of his poems have been translated into Assamese, French, Hindi, Lithuanian, Sanskrit, Serbian, Telugu and Turkish languages.
